

Financed by MINUSMA, Quick Impact Projects (QIPs) are community micro projects. These projects have a maximum cost of 50,000 USD and a maximum 6-months duration, in the areas of services and small public infrastructures rehabilitation, training and awareness-raising activities, employment and revenue creation. They must have both a quick and long lasting

effect meeting priority needs of the population and aim at building confidence towards the peace process, the Mission and its mandate.

Between 1st of July 2014 until 30th of June 2015, a 3.16 million USD budget were dedicated to 92 QIPs.

These projects benefit mainly northern regions and will support requests from the Malian Government, international and national NGOs, international agencies and civil society. All projects are executed through local partners and businesses.
